How to Access Reports for Science Interims and Modulares Overview

When looking for Science Interim and Modular reports in Centralized Reporting, please note that all Interim and Modular reports are available under the “Interim” Test Groups. Please take the following steps to find these reports.

1. When you log into Centralized Reporting, the first thing you see is the Dashboard Generator where you can view overall test results for some or all of your test groups. To view more detailed data for the Science Interims and Modulares, select the **Interim** checkbox and the **Science** checkbox (See Figure 1). Select the green **Go to Dashboard** button.

2. The Dashboard appears, showing the Interim Science tests (See Figure 2). In order to view the Performance on Tests section, click the name of the group or  beside it.

Figure 2: Dashboard Featuring Interim Science Tests

- The Performance on Tests report appears. It is filtered to display only the test group you selected in a table (See Figure 3). Please note, if you are not a district- or school-level user, you will see two tables: "My Assessments" and "My Students." Select "My Assessments" to view all assessments in the filtered test group.
