Introduction to this User Guide

This user guide supports users of the Modular Previewing System. The Modular Previewing System is a component of the Test Delivery System that allows authorized users to review modular assessments for administrative or instructional purposes. This introduction describes the contents of this document and includes a key for identifying icons and elements found throughout the guide.

User Guide Content

This user guide provides information about the following sections:

- [Logging in to the Modular Previewing System](#) explains how to access Modular Previewing System.
- [Accessing Tests](#) explains how to select a test to review.
- [Understanding the Modular Previewing System](#) describes the layout of Modular Previewing System.
- [General Test Rules and Navigation](#) explains how to navigate the test.

Table 1. Key Icons and Elements

| Icon | Description |
|---|--|
|  | Note: This symbol accompanies additional information or instructions of which users must take note. |
| Text | Bold text is used to indicate a link or button that is clickable. |

Additional Resources

The following publications provide additional information:

- For information about which operating systems and browsers are supported, see the [System Requirements](#) document
- For information about student and user management see the [TIDE User Guide](#).
- For information about administering online tests via the TA Interface, see the [Test Administrator User Guide](#).
- For information about network and internet requirements, general peripheral and software requirements, and configuring text-to-speech settings, see the [Technical Specifications Manual](#).

- For information about installing secure browsers, see the [Secure Browser Installation Manual](#).

The above resources are available on the Wyoming Assessment Portal (www.wyoassessment.org).

About Testing Policies and Procedures

This document describes the features and functions of the Modular Previewing System. It does not provide information about test administration policies and procedures. Information about policies and procedures that govern secure and valid test administration is available in the Test Administration Manual (test-window specific) on the [Wyoming Assessment Portal](#).

Section I. Logging in to the Modular Previewing System

Authorized users can access the Modular Previewing System via the [WY-TOPP Portal](#).

1. Navigate to the Wyoming Assessment Portal (www.wyoassessment.org).
2. Select either the Educators or WY-ALT Educators card, based on your role.

4. Enter your email address and password.
5. Click **Secure Login**. The **Available Tests** page appears (see [Figure 5](#)).
 - a. If you have not logged in using this browser before, or if you have cleared your browser cache, the **Enter Code** page appears (see [Figure 4](#)) and an email containing an authentication code is sent to your address.
 - b. In the *Enter Emailed Code* field, enter the emailed code.
 - c. Click **Submit** to access the **Available Tests** page.

Note: You must use the authentication code within five minutes of the email being sent. If the code has expired, click **Resend Code** to request a new code.

About Usernames and Passwords

Your username is the email address associated with your account in TIDE. When you are added to TIDE, you receive an email containing a temporary link to the **Reset Your Password** page. To activate your account, you must set up your password and set a security question within 15 minutes of receiving this email.

- **If your first temporary link expired:**

In the activation email you received, click the second link provided and proceed to request a new temporary link.

- **If you forgot your password:**

On the **Login** page, click **Forgot Your Password?** and then enter your email address in the *Email Address* field. You will receive an email with a new temporary link to reset your password.

- **If you did not receive an email containing a temporary link or authentication code:**

Check your spam folder to make sure your email program did not categorize it as junk mail. If you still do not have an email, contact your Building or District Test Coordinator to make sure you are listed in TIDE.

Additional help:

If you are unable to log in, contact the Wyoming Assessment Help Desk for assistance. You must provide your name and email address. Contact information is available in the [User Support](#) section of this user guide.

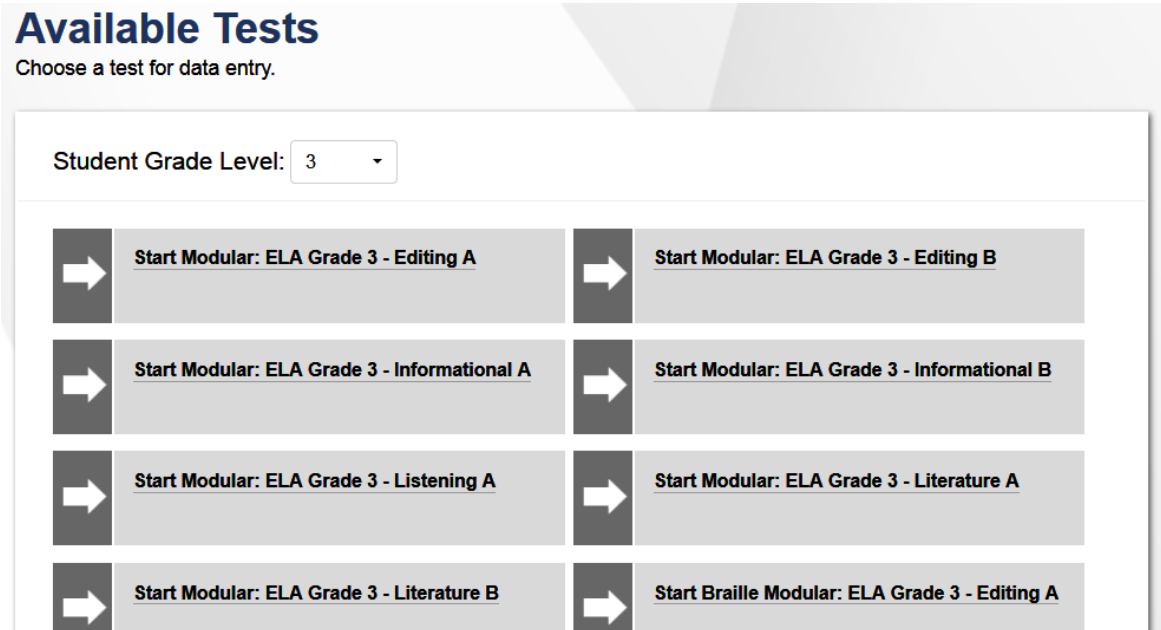

Section II. Accessing Tests

This section explains how to select tests to review in the Modular Previewing System.

Step 1 – Choosing a Test Grade

On the **Available Tests** page, select the grade level of the test you wish to review.

Figure 5. Available Test Page

Available Tests
Choose a test for data entry.

Student Grade Level:

| | |
|--|--|
|  Start Modular: ELA Grade 3 - Editing A |  Start Modular: ELA Grade 3 - Editing B |
|  Start Modular: ELA Grade 3 - Informational A |  Start Modular: ELA Grade 3 - Informational B |
|  Start Modular: ELA Grade 3 - Listening A |  Start Modular: ELA Grade 3 - Literature A |
|  Start Modular: ELA Grade 3 - Literature B |  Start Braille Modular: ELA Grade 3 - Editing A |

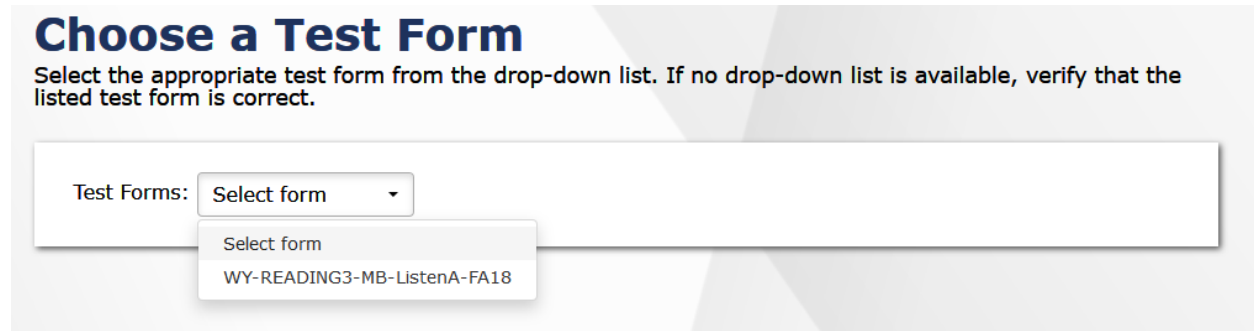

To select a grade:

1. From the **Grade** drop-down list, select the required grade level. The tests available for the selected grade appears (see [Figure 5](#)).
2. Click the desired test name. The **Choose a Test Form** page for that test appears.

Step 2 – Choosing a Test Form

The **Choose a Test Form** page displays one or more test forms, as well as the session ID that automatically generates after you select a test.

Figure 6. Choose a Test Form Page

Choose a Test Form

Select the appropriate test form from the drop-down list. If no drop-down list is available, verify that the listed test form is correct.

Test Forms:

- Select form
- WY-READING3-MB-ListenA-FA18

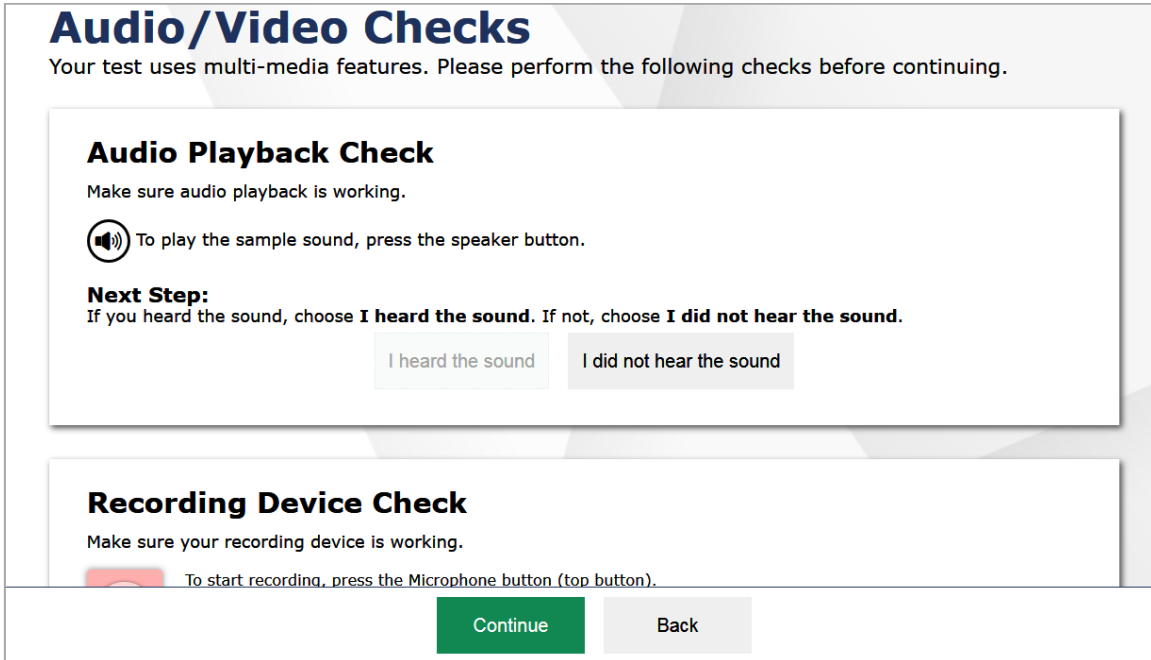

To select a test form:

1. From the **Test Forms** drop-down list, if available, select the appropriate form. If the drop-down list is not available, verify that the correct test is listed in the *Test Forms* field.
2. Click **Next**. If the test requires any functionality checks, the **Audio/Video Checks** page appears. If not, the first test page appears.

Step 3 – Functionality Checks

Depending on the test content, you may need to verify that your device is functioning properly from the **Audio/Video Checks** page (see [Figure 7](#)).

Figure 7. Audio/Video Checks

Audio/Video Checks
Your test uses multi-media features. Please perform the following checks before continuing.

Audio Playback Check
Make sure audio playback is working.

 To play the sample sound, press the speaker button.

Next Step:
If you heard the sound, choose **I heard the sound**. If not, choose **I did not hear the sound**.

Recording Device Check
Make sure your recording device is working.

 To start recording, press the Microphone button (top button).

Each functionality check appears in its own panel. To proceed to the first test page, do the following:

- Verify each functionality, then click **Continue**. A green check mark will appear in the upper-right corner of the functionality panel that you have verified.

The page may consist of any of the following functionality checks:

- [Audio Playback Check](#)
- [Sound and Video Playback Check](#)

Audio Playback Check

The *Audio Playback Check* panel appears for tests with listening questions. On this panel, you must verify that you can hear the sample audio.

Figure 8. Audio Playback Check Panel

To check audio settings:

1. Select the  icon and listen to the audio.
2. Depending on the sound quality, do one of the following:
 - If the sound is audible, select **I heard the sound**.
 - If the sound is not audible, select **I did not hear the sound**. The *Sound Check: Audio Problem* panel appears.
 - To try again, click **Try Again**. This takes you back to the *Audio Playback Check* panel.

Note: If the audio does not work, you can click  in the upper-right corner of the page to log out. You can troubleshoot the device and headphones or move to another device with working audio.

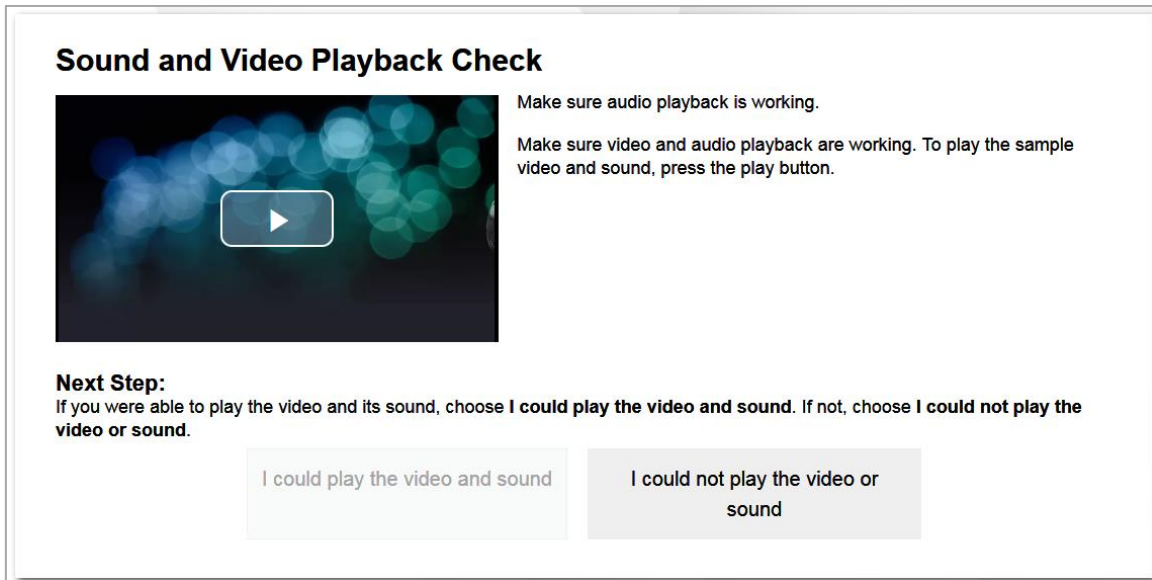

Sound and Video Playback Check

The *Sound and Video Playback Check* panel appears for tests with video content. On this panel, you must verify that you can view the sample video and hear its associated sound.

Note: If this panel is available on the **Audio/Video Checks** page, the *Audio Playback Check* panel is not displayed, since the *Sound and Video Playback Check* panel also verifies audio functionality.

Figure 9. Video Check Panel

To check sound and video settings:

1. Select the  icon to play the video and audio.
2. Depending on the playback quality, do one of the following:
 - If you can play the video and sound, select **I could play the video and sound**.
 - If you cannot play the video or sound, select **I could not play the video or sound**. The *Video Playback Problem* panel appears.
 - To try again, click **Try Again**. This takes you back to the *Sound and Video Playback Check* panel.

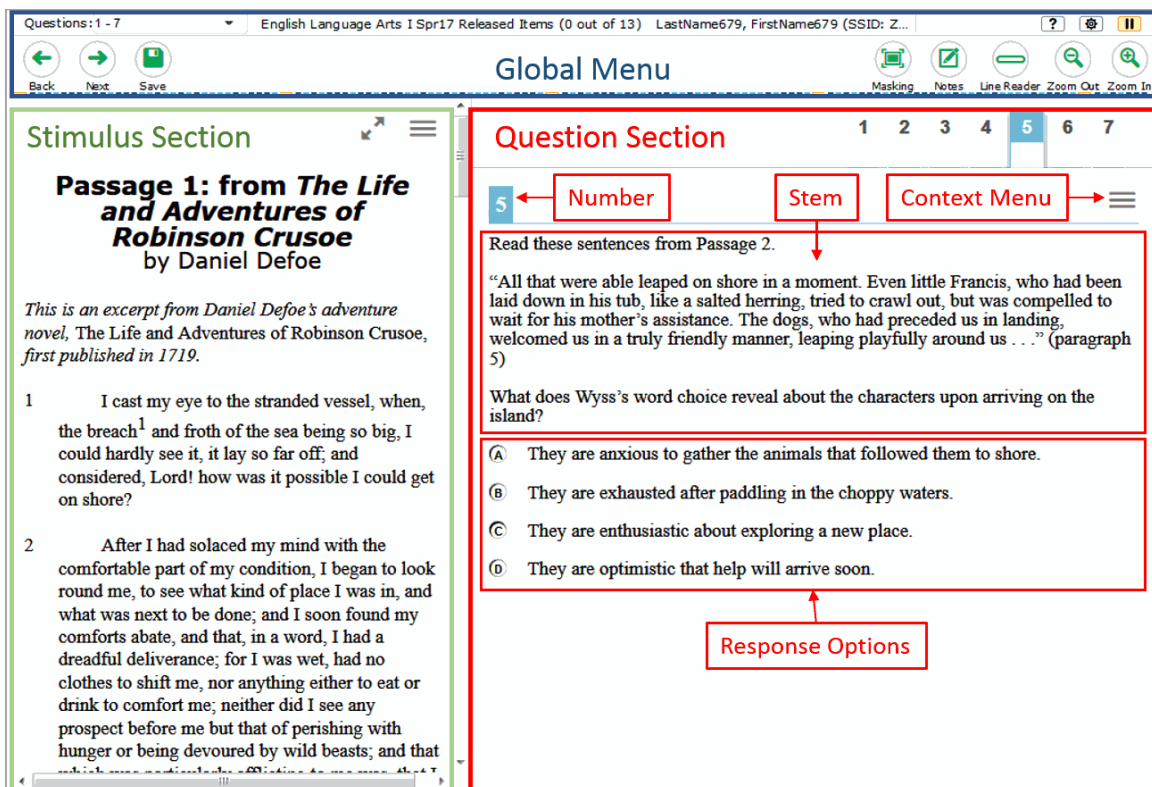

Note: If the audio or video does not work, you can click  in the upper-right corner of the page to log out. You can troubleshoot the device and headphones or move to another device.

Section III. Understanding the Modular Previewing System

[Figure 10](#) displays a sample test page. Some pages may have only one question, and others may have multiple questions. Questions may also be associated with a stimulus, such as a reading passage or video.

Figure 10. Sample test Page

Test Tools

The Modular Previewing System includes various on-screen tools. You can access these tools by clicking the buttons available in the *Global Menu* and *Stimulus* sections of the test page, or by selecting options from the context menus  that appear in the *Question* and *Stimulus* sections of the test page.

[Table 2](#) lists the tools available in the *Global Menu* section of the test page, while [Table 3](#) lists the tools available in the *Question* and *Stimulus* sections (context menu tools).

| Tutorial | To view a short video demonstrating how to enter a response for a particular question type, select Tutorial from the context menu. |

Section IV. General Test Rules and Navigation

This section describes how to navigate a test, pause a test, and complete a test review.

Responding to Questions

When viewing a test, you can practice responding to the test questions. You must respond to all the questions on a page before advancing to the next page. The responses you enter will not be scored when you complete the test review.

Note: Grouped questions may be paginated to appear individually. Tabs for each question in the group appear in the upper-right corner of the page.

Figure 11. Question Buttons

Navigating to Questions

You can navigate to questions page-by-page or jump directly to a question's test page.

- To navigate page-by-page, click the **Back** or **Next** buttons at the top of the screen.
- To jump directly to a test page, select the required question number from the **Questions** drop-down list.

Pausing Tests

You may pause the test at any time. Pausing the test automatically logs you out of the Modular Previewing System. To return to the test, you must log back in and select the required test again.

To pause the test:

1. Click  in the upper-right corner. A confirmation message appears.
2. Click **Yes** to confirm that you want to pause the test.

Test Timeout

The Modular Previewing System automatically pauses the test and logs you out after 30 minutes of inactivity.

Note: Before the Modular Previewing System logs you out, a warning message appears on the screen. If you do not click **OK** within 30 seconds, you are logged out.

Finishing the Test Review

After viewing all the questions in a test, the **Done Entering Data** button appears in the global menu.

Figure 12. Finished Button in Global Menu

When you click **Done Entering Data**, a confirmation message appears, giving you two options:

- To complete the test, click **Yes**.
- To continue reviewing the test, click **No**.

Reviewing Marked Questions

The *You are done entering data* page gives you one more opportunity to review questions.

Figure 13. You are Done Entering Data Page

You are done entering data.
If you wish to review your entries, select a question number below.

Questions:

| | | | | | |
|--------------------------------|--------------------------------|--------------------------------|--------------------------------|---------------------------------|---------------------------------|
| <input type="text" value="1"/> | <input type="text" value="3"/> | <input type="text" value="5"/> | <input type="text" value="7"/> | <input type="text" value="9"/> | <input type="text" value="11"/> |
| <input type="text" value="2"/> | <input type="text" value="4"/> | <input type="text" value="6"/> | <input type="text" value="8"/> | <input type="text" value="10"/> | |

Next Step:
When you are done reviewing your entries, select **Submit Test**. You cannot change entries after you submit the test.

To review questions again:

1. Click the question number you want to review. The test page for that question appears.
 - You can navigate the test as you did when initially entering responses. The navigation buttons are still available in the global menu.
 - To return to the ***You are done entering data*** page, click **Finished**.
2. To complete your review, click **Submit Test**.

Completing the Review and Logging Out

After reviewing the questions, the Modular Previewing System displays a final warning message asking if you are sure you are done. The warning message gives you two options:

- To return to the ***Want to see an item again?*** page, click **No**.
- To complete your review of the test, click **Yes**.

The **Done Reviewing Test** page appears when your test review is over.
