- **Test Information Distribution Engine (TIDE)** – User and Student management including test settings and accommodations. Administrative tasks such as appeals, participation reports, and paper orders
- **Test Delivery System (TDS)** – The testing system, both the student and teacher interface as well as the Modular Previewing System
- **Online Reporting System (ORS)** – Reporting system for summative assessments
- **AIR Ways Reporting** – Reporting system for Interims and Modular assessments

System Organization & Data Flow

WY-TOPP Reporting 2018-19

- All Interims and Summative tests will be reported using the cut scores determined during the Summer 2018 Standards Setting.
- ELA Interims and Summative tests grades 3, 5, 7, and 9 will have two parts and both parts must be completed before results will be provided:
 1. ELA computer adaptive test
 2. Writing prompt
- ELA Interims and Summative tests grades 3, 5, 7, and 9 include the writing prompt as an item on the test

WY-TOPP Interims & Modulares

- **Interims & Modulares are semi-secure.**
 - Teachers may view Modulares through the Modular Previewing System to select before administering.
 - Teachers are able to view items and student responses in AIR Ways to aid analysis and understanding of student performance.
 - Modulares and Interims are not to be used to replace curriculum, such as being used as a teaching tool or reproduced on worksheets.

- **All WY-TOPP assessments assess grade level standards**
